Mike: Attached is a request for task order modification to Task Order 0088-RICO-06MC (Mod No. 02) to correct accounting information and to move all previous payments made from the incorrect accounting information to the correct accounting information. There is no change in obligated funds for TO-0088-RICO-06MC, so an SRO form was not created for this action. I have attached the TO mod request and the e-mail from Betty Hamilton at RTP with the instructions for correcting the accounting information. Hard copies of these documents were provided to you for your files. Thank you for your assistance with this matter and please let me know if there is anything else you require in order to take action on this request. Rena
